

MAY 2019

Oh Susannah

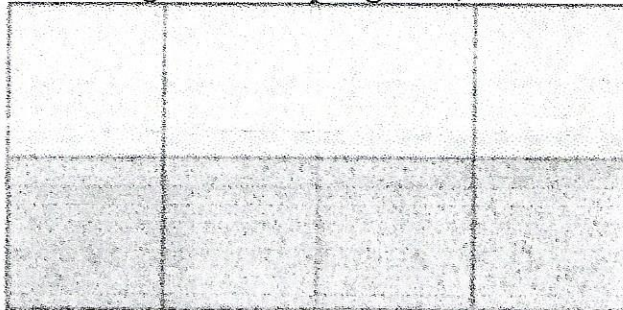

Check your measurements very carefully. Each block should measure 12 1/2 inches when it is finished. Accuracy from beginning to end will assure that your blocks come out perfectly. Measure carefully, sew carefully, and you will have a perfect block.

For the Oh Susannah you will need:
From your background, cut four 3 1/2 inch squares, and cut one 3 1/2 X 15 inch strip.
From your color 1, cut one 3 1/2 X 15 inch strip
From your color 2, cut four 3 1/2 X 6 1/2 inch rectangles.

BACKGROUND COLOR - TAN

Sew your color 1 and background strip together, cut into four 3 1/2 inch sets.

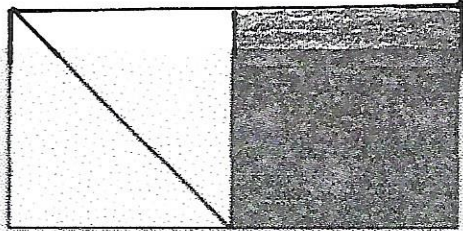

COLOR #1 - DARK TO CONTRAST WITH TAN

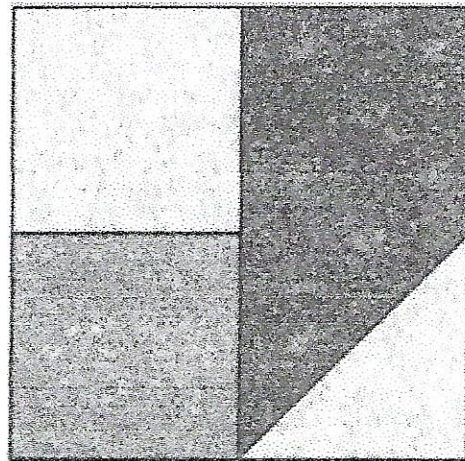

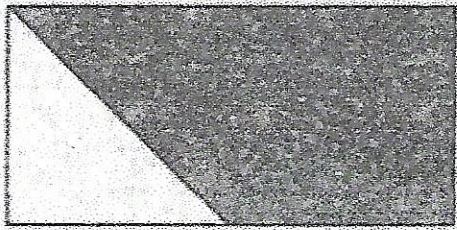

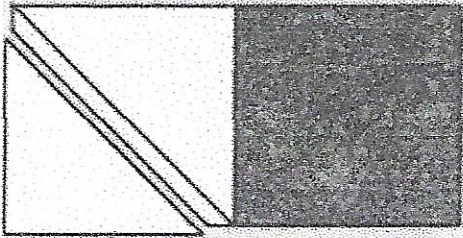

COLOR #2 - KID PRINT

Place a square of the background on the end of the color 2 strip.

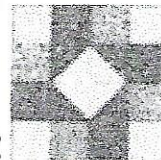

Sew diagonally from corner to corner.

Press seam allowance toward color 2 and away from the background.

Sew together four sets like this,

then the four sets in to one Oh Susannah block!
